Location:	Intersection of Main St & 5th Ave, Springfield, IL

ACCIDENT DESCRIPTION:

On October 5, 2024, at approximately 3:45 PM, I was driving eastbound on Main Street approaching the intersection with 5th Avenue. The traffic light was green for my direction. As I entered the intersection, another vehicle (2019 Ford F-150, driver: Robert Williams) ran the red light traveling northbound on 5th Avenue and struck the front passenger side of my vehicle.

The impact caused significant damage to the front right quarter panel, door, and wheel assembly of my vehicle. The airbags did not deploy. Both vehicles were towed from the scene. Police report #SPD-2024-10-1234 was filed.

DAMAGE TO INSURED VEHICLE:

- Front right quarter panel: Severe impact damage, crumpled
- Front right door: Dented, door frame bent, will not open
- Front right wheel: Bent rim, tire damaged
- Front right suspension: Possible damage to control arm and strut
- Headlight assembly: Broken
